Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 16 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry tonight and less cold than of late.

This Evening and Tonight:
Mostly dry with clear spells, but often cloudy. There is a chance of the odd shower over Devon and Cornwall during the night. Feeling less cold than recent days but there is still a chance of patchy rural frost. Minimum temperature 3 deg C (37 deg F).

Sunday:
A dry and sunny start to the day for many before more cloud arrives by the afternoon, turning the sunshine hazier. Scattered showers are possible in the west overnight. Maximum temperature 9 deg C (48 deg F).

Outlook for Monday to Wednesday:
A dry start to Monday before an area of heavy rain arrives during the afternoon. Tuesday and Wednesday will see further heavy rain, with strong winds especially along coasts.
